## Principal's Message

Greetings Seaview Families.

It has been another great month working with your children in the school. The kids have been showing so much kindness towards one another in class and on the playground, which really makes our school such a great place to be.

We ended October on a high note by being able to have our annual Halloween parade outside. In the middle of all this stormy weather, we somehow managed to have beautiful sunshine for the entire parade, and it was so great to see everyone outside safely celebrating together.

Our school recognized Remembrance Day on November 10<sup>th</sup> with a virtual assembly. We shared several videos and presentations to pay tribute to our Canadian veterans. Thank you to intermediate students who drummed and sang a traditional song they learned from Mr. Manson to open our assembly in a good way, and to Ms. Trebett's and Ms. Neave's classes for a wonderful song about peace and love.

As we head towards December, we look forward to some of our winter and holiday traditions such as our food drive and our door decorating competition.

As always, please do not hesitate to contact your child's teacher, or contact me through the office, if you have any questions about your child's day at school.

Sincerely,

Derek Snowden

## Christmas Hampers

Our Lantzville Fire Department's Christmas Food Hamper Challenge runs from November 25 – December 9. This is a fun challenge that also provides support to local families during the holiday season. The class that collects the most food will win a Dilly Bars for the whole class. Thank you to Mrs. Trebett for organizing this and to everyone for helping us spread the Christmas cheer.

## School Sports

Although sports teams are on hold this year, Seaview still had a cross country team for our athletes. The students practiced as a group each week, and we held a cross country final race on November 5. A big thanks to Ms. Slater for organizing and to her and Mrs. Canty for running with the students. It was great to see so many kids getting to participate in a sporting event this year.

## Inclement Weather

As we are well into November, we have started seeing some of the very cold and wet weather we would expect heading into the Winter months. This year, due to Covid-19 regulations, we will not have any inside recesses due to poor weather. Students will be going outside to play at recess and lunch even when it is raining heavily. We thank you for ensuring your child comes to school with appropriate rain and cool weather clothing. At Seaview we believe in the importance of fresh air and outside play for all students and appreciate your assistance keeping your kids warm and dry so they can better enjoy their school day.

## Fruit & Veggie/Milk Program

We consider ourselves lucky to be part of the School Fruit and Vegetable Nutritional program. Throughout the year this program sees nutritious foods being served to our students for free.

Fruit & Veggie Deliveries & Milk/Soy in the future will be as follows: (week of)

Nov 30	Spartan Apples/Milk
